

PROLITE® ELBOW SUPPORT KNITTED PULLOVER

Model No: 19-400

Sizes: Small - XLarge

Color: Beige

INDICATIONS:

- Strained Tendons/Muscles
- Weak or Injured Elbows

BENEFITS:

Provides excellent compression and stabilization for weak or injured elbows. Made of a stretch knitted elastic that makes a lightweight and breathable alternative to neoprene. Elastic provides compressive support while maintaining flexibility.

PRODUCT FEATURES:

- **Elastic Top and Bottom Bands** comfortably keep support in place without constricting or digging into skin.
- **Contoured Shape** provides more precise compression and fit.
- **Knit Design** lays more elastic yarns where greater stretch is desired and less where it is not needed. The result is increased comfort and fit with precise compression.
- Latex free.

WEARING INSTRUCTIONS:

Simply slip the support over elbow and pull into place. Support should fit snugly but not so tight it digs into skin.

CARE INSTRUCTIONS:

Hand wash in cold water and mild soap. Wrap in towel to remove excess water. Do not twist or wring. Air dry away from heat. Do not tumble dry. Do not bleach.

SIZING:

Measure around arm just above elbow.

Size	Fits Arm
Small	8 - 9"
Medium	9 - 10"
Large	10 - 11 ½"
X-Large	11 ½ - 13"
