

THERALL™ HEAT RETAINING BACK SUPPORT

Model No: 53-537

Sizes: Small - X-Large
Color: Beige

This elastic back support provides light compression for comfortable support. Ideal for arthritis, lower back pain and discomfort, overuse or repetitive use injuries and muscle strains.

- Relieves back pain associated with arthritis
- Provides comfortable support for the lower back
- Contoured metal stays can be easily shaped for a customized fit
- Overlapping elastic side pulls provide additional compression
- Promotes healing by increasing circulation around the lower back
- Allows for faster return to daily activities
- Use with Therall™ Therapeutic Heat Patch (sold separately) for over 12 hours of soothing heat therapy.

Wearing Instructions: Apply in a standing position. Unfasten all closures. Place around back and upper buttocks area. Pull side with fastener until the support holds the upper buttocks snugly. Secure front closure. Pull the overlapping elastic side straps until snug and secure.

Care Instructions: Hand wash in mild water with gentle soap. Air dry. Do not bleach or tumble dry. Ensure completely dry before reapplying.

Material Contents: 30% Polyester, 25% Spandex, 22% Cotton, 15% Nylon, 8% Rayon, **LATEX FREE**.

SIZING: Measure circumference around lower back/upper hips.

<u>Size</u>	<u>Fits</u>
Small	22 - 33"
Medium	32 - 42"
Large	41 - 48"
X-Large	47 - 54"

Contains unique ceramic fibers that retain heat and slowly reflect it back into the joint and surrounding tissues. The result is soothing relief and therapeutic heat penetrated deep into the aching elbow, muscles and surrounding tissues.
