

PressureLite

**EDEMA /
BANDAGE
SUPER
SOCKS**

Model No: H64

**Sizes: Medium - XLarge
Color: White**

Designed especially for those with oversized feet and lower legs up to 25" in circumference. Padded in high pressure areas of the foot for added comfort. Antibacterial fibers wick moisture away to protect against fungus and bacteria. Perfect for serious edema and enlarged feet and legs. Also ideal for post-surgical/post-casting wear to provide added comfort, protection, and warmth.

FEATURES:

- Super size stretch
- Extra padding where needed the most
- Anti-bacterial protection
- Super stretch material fits over bandages, wraps and casts
- High tech fibers protect against bacteria and moisture
- Virtually no binding
- Won't bunch up or slide down

CARE INSTRUCTIONS:

Machine wash in warm water. Tumble dry low. Do not bleach.
